

A close-up photograph of a Mammy dough mixer. The image shows the top of the machine, which is a light cream color. A prominent feature is a large, cylindrical silver-colored control knob with a black dot in the center. Below the knob is a circular base with numbers 1 through 10. To the left of the knob, there are two smaller circular buttons, one green and one red. Below these buttons is a large, clear plastic mixing bowl. The background is a solid light yellow color.

EXCLUSIVE
DOUGH MIXERS

The Mammy logo consists of a red stylized symbol above the word "mammy" in a dark grey, lowercase, sans-serif font.
